

2010/11

To Bayside's Junior Parents,

Hello all I hope you've had a great summer. Our Junior program has gone through a transition of sorts recently with the Novice/Intermediate kids now making up the bulk of our membership while the advanced group is all but gone due to age. This a natural cycle and soon our Intermediate/Novice players will be moving up to fill the vacancies in the Advanced program and promise to emulate our past successes. In addition to the positive opportunities created with such large numbers in the Novice/Intermediate group is the record number of girls playing along with more and more parents getting involved in coaching the kids. All in all it looks to be a very active year ahead, and is a great time for newer players to get involved.

*Thanks to the space created by the number of Advanced kids moving on this year **I will again be inviting all of our "Novice" and "Intermediate" players--regardless of age-- to the Monday "Drop In" session..** Other than that, this year's program will be similar to last years and will again have 4 different membership types designed to suit the wide spread in playing & commitment levels, plus a "Beginner" group for those who have never played. These levels will all start with two or three one hour sessions on Saturdays to be determined once we see how many and at what level this year's group are at. All three sessions will be coached by Mike Manners and myself when available, along with help from a few of our parents. Also we will be expanding our **"parent supervised 'drop in' sessions—(based on interest)** to, 315-445 Wednesdays, 12 to 2 on Sunday, and the "Family" "Drop in" 615-730 PM Sundays (where parents and siblings are invited to play).*

*We won't be setting our Saturday groups until we've had a chance to see how many kids we have and what level they are at. So until you are told otherwise (probably after the second or third week) all kids should attend from 12-2 starting September 18th. **** The 18th session will be followed by prizes and a BBQ lasting until about 3.***

** Please see attached form for this seasons fees*

*(**fees are based on an annual rate but spread out over 12 months Oct 1 2010 through Sept 1 2011)*

Thanks for taking the time to read this, and please confirm that your child will or will not be playing this year @ timsaunders@telus.net or 604-312-5744.

Thanks

Tim Saunders

p.s. tourney& Jr league lists and dates will be available on the 18th
